Expectations

If you are selected, you will receive a phone call from Trent Hobbs Photography. We will then arrange a time to meet with you and your parent/guardian so that we can go over the contract. Parent/guardian must be present to sign the contract. During the meeting, we will schedule a photo shoot with you. By agreeing to be an ambassador for Trent Hobbs Photography, you are allowing images taken of you to be used for any and all marketing, advertising, contests, and editorial submissions by Trent Hobbs Photography; this includes, but is not limited to: web, print, and display. The ambassador agrees to actively promote Trent Hobbs Photography by word of mouth, handing out referral cards and sharing images posted on Trent Hobbs Photography Facebook page. The senior should not un-tag themselves from their facebook images for at least a period of one year. As an ambassador for Trent Hobbs Photography, you will not represent or actively promote any other photographers or studios. Filling out an ambassador application does not guarantee anyone an ambassador role. Ambassador positions are limited.

Tips for Success

- Show your album from the Real Me package to friends as soon as you receive it, up until the end of school.
- Get your parents involved in the promotion.
- Referrals can be for Families, Seniors, Maternity, Engagement, Weddings, Individuals, and even Business/Corporate Headshots. Any one of your referrals that books a paid session counts!
- Hand out referral cards to anyone who you think will actually book a session.
